

A Message from the Lieutenant Governor

As Lieutenant Governor of British Columbia I am pleased to welcome guests to the special event, “Spirit of Harmony: Invitational Exhibition of East Asian Artists”.

Our province is rich in cultural diversity and home to a growing number of people from around the globe. Art is one of the many ways in which we can understand and learn from one another; it transcends language and cultural barriers to bring us together. Exhibitions such as this help bridge the gap between cultures and create a more harmonious society.

I extend my thanks to those who dedicated their time and effort to bring this exhibition together, celebrating East Asian Artists and encouraging cultural understanding and respect amongst the people of British Columbia.

Sincerely,
